Detailed Action

1. Claims 1-14 and 16-25 are presented for examination. This office action is in response to the RCE amendment filed on 6/23/2005.
2. The information disclosure statement (IDS) submitted on 6/23/2005 is being considered by the examiner.

REASONS for ALLOWANCE

3. The following is an Examiner's statement of reasons for the indication of allowable subject matter: renumbered claims 1-24 are allowable over the prior art of record because an update of a search previously made does not detect the combined claimed elements as set forth in the claims 1-24 and because of the amendment filed on 3/28/05. Specifically, claims are allowable over the prior art of record because none of the prior art of record teaches or fairly suggests a technique for efficiently defragmenting a file of a system as described in the specification and together with combination of other claimed element as set forth in the claims. Also the reasons for allowance of the claims over the prior art of record is believed to be clear from the prosecution records taken as a whole. Therefore, claims 1-24 are allowable over the prior art of records.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on

Statement of Reasons For Allowance."
